Although the abovementioned is the current level turnover/income and is closely to the economic indicators, it may be more more or less in future. Consequently this certificate does not serve as a guarantee that the income reflected will continue at the same level. Where the entity is a start-up enterprise this EME Certificate is valid only for contracts with a single value of less than or equal to R 5.0 million. Should the contract value being tendered for be higher than R 5.0 million and less than R35 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over R35 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted.

Based on our procedures, which do not constitute an audit or review, we have determined the level of Black Ownership/Black Women Ownership as set out in this Certificate to be a Level 4.

We do not accept or assume responsibility for anyone other than ACHIEVE-IT! CHARITABLE TRUST, for our work, for this report, or for the conclusion we have made.
