Re: Endorsement of Achieve-It Charitable Trust

I, Pierre Le Roux, captain of the South African Men's Water Polo Team support the work done by Achieve-It Charitable trust and agree with their mission: to provide physical education and professional sporting activities to underprivileged youth.

As a non-profit organization, developing our sport by providing the underprivileged youth of South Africa an opportunity to participate, is truly a way for South African sporting success.

Yours in sport,

Pierre Le Roux
